

This is to certify that :

Maharishi Vidya Mandir,
Sanwala (Kurukshetra)
Haryana

is situated at a rural area and on my inspection it has been found that it possess and provides the adequate measures of health, sanitary and safety conditions.

The school has a regulated environment.

It has the first ~~ax~~ aid provisions.

There is a contral water supply of drinking water and taps are at convenient spots.

It has a good sewage system and required lavatories and urinals.

There are two metadors and three buses for speedy reaching of pupils, when hurt, sick etc. Electrical appliances are kept away from the reaches of the students.
